Council Will Purchase Auto Police Patrol

Council met in regular monthly session last evening at the borough building with all members present and in a lengthy session transacted much business of importance for the community. After having accepted the treasurer's report, and also the Burgess report for the month of July showing that $436 was turned over to the borough from this source, the members evidently thought if business would continue this good, they might spend some money for necessities and besides instructing the police committee to ask for bids for a motor driven police patrol, they asked that bids be secured for the purchase of 500 feet of hose and the rela estate committee was asked to see about a site for a garbage furnace.

All bills were approved and ordered paid and the petition for the opening of McMahan avenue was referred to the streets and roads committee. The borough solicitor was asked to look into the terms of the councilmen to be elected in the fall. According to local officials there are to be two four year terms in the Second ward filled, while the county commissioners state that one of the offices to be filled is for two years.

Borough Engineer Watson Johns was granted a leave of absence and will hie to the country tomorrow to recuperate after a strenuous year's work. The police will, hereafter, be paid on the 8th and 23rd of each month.

The water came up for much discussion and a special committee of Messrs. Bumer, Kruell, Hood, Hunter and Knight was appointed to investigate. The Board of Trade has a committee already at work on this matter and it is thought when all evidence has been secured, some action will be taken against the company as the general public is being unjustly imposed upon with the recent raise in rates by the company.

The real estate committee was asked to secure a place for the housing of all borough implements, and they will also sell the building belonging to the borough at Second street to the highest bidder. The contract for the fire truck was signed and will be delivered within the next 90 days. A general inspection of the poles in town was ordered and council adjourned to meet again on August 11.

Plaintiffs Must Pay All Costs

Judge Copeland entered decrees in the cases of Harry F. Wilson and George Matthews, Robert Matthews and Mary Matthews against the county of Westmoreland, the rule to show cause why judgment should not be entered in favor of the defendant without costs being discharged.

The cases grew out of the building of the Pricedale and Monessen road by the county commissioners. Viewers assessed damages to abutting properties, the above named plaintiffs being allowed $100.00. From this award they took an appeal and demanded a jury trial. The jury returned a verdict for the defendant county, and the plaintiffs then asked that judgment be entered without costs. Judge Copeland held that the defendant county was entitled to cost, saying in part: "It is in every respect a common law proceeding. An issue of fact is framed by the pleadings and the issue, under the appeal given by the act, is governed by the same rules of practice, as to trial, judgment and all the incidents thereto as any other issue of fact presented by pleadings. One of the incidents which attaches to the trial of cases, according to the common law in our courts, is that the successful party is entitled to costs."

Campaign Against Unlicensed Dogs

A state campaign is to be inaugurated within a short time against the unlicensed dog owned by the foreigner, but everyone of the canine owners are to be duly notified of the framing of the recent act of the assembly denoting that all dogs maintained by them and not bearing a license tag are to be dispatched by the person in authority to do so. District Attorney C. Ward Eicher has just received word from the Pennsylvania Game commission to the effect that within a few days cards bearing the worded act of assembly in respect to the foreigner's dog will be forwarded to him and it is expected that he will see that they are properly posted throughout the county.

The act will be printed in various languages on cards, and after the cards have been properly posted, the constables must see that the law is complied with. It has been told that some constables in one or two localities have disposed of dogs owned by foreigners, and without the necessary license tag, without waiting for the full notice, which under the law must be posted.

Newspaper Men Enjoy Picnic At Eldora Park

The first annual outing of the newspaper association of the Monongahela valley was held yesterday at Eldora park and attended by hundreds of people from all along the valley. It was a good old fashioned basket picnic where friends and relatives from surrounding towns met and enjoyed lunches under the shade of the big trees in the park and the children, who have busied themselves the past two weeks clipping coupons from the various papers, enjoyed free rides in the roller coaster and merry-go-round. When their coupons gave out, they hied to the bamboo slide for the remainder of the day. The Velvet Ice Cream Co. of Monongahela, helped make the occasion a success by furnishing free ice cream to the children and ladies.

In the evening the newspapermen with their wives, friends and sweethearts gathered at the big lunch pavilion where a long table had been set and enjoyed a banquet as the guests of the park management.

About fifty people were present representing all but three of the papers in the valley from Fredericktown to Elizabeth. Following the banquet, Attorney Vernon Hazzard of Monongahela, was chosen toastmaster and called upon a number of those present for short speeches. A vote of thanks was tendered the park management for the entertainment, after which the guests were taken to the dancing pavilion to enjoy the remainder of the evening. Fully three hundred people gathered at the pavilion for the evening.

To Hold Reunion

The Wickerham-Sampson-Grant reunion will be held at Eldora park on Wednesday, August 11. The members of this association represent nearly all the Monongaheda valley towns from Pittsburgh to Brownsville as well as the upper country and some of the western states. The president of this association is Adam Wickerham and the secretary, Dr. Lida Grant, a former practicing physician here.

Today at the Olympic—The last chapter of the 12 vital questions of mankind—"Who Pays?" Our lives' great problems have come and gone. Yes indeed, it is a wonderful departure. Equally as bad if we had to bid farewell to our beloved wife, mother, father, to our dear children or sweet lovers, yet with the consolation that it has left us a pleasing memory, a fine lesson never to be forgotten. We cordially invite every living person to come and see this last chapter as it is of course a complete story of itself. The title is "The Toll of Tyranny," in three reels. Turn your eyes around the four corners of the world and you will see "The Toll of Tyranny" exercised by almost all masses and classes one way or another. At the Olympic today., Let us bid farewell to the last one, let us be thankful to the those who have spent many hundred thousands of dollars for our benefit, for our pleasure, yet without a guarantee, it came to our town running a risk of its own, depending upon its quality, and now departs, having paid all taxes due to city, state, county, revenue tax, building and personal tax and has done all this without any guarantee whatever for its visit to our town, any more than Jones Bros. circus for their appearance to our town.

Tomorrow again, we have one of the best, one of the greatest pictures ever in our town, "The Great Diamond Robbery" in six reels by Edward M. Alfriend and A. C. Wheeler, with Wallace Eddinger and a cast of distinguished people. The most thrilling and gripping melodrama of modern times. The entire cast composed of Broadway favorites that have never been seen except at $2 prices. If you ever witness Sherlock Holmes or Zigomar, think about their teachers, players of the great Diamond Robbery.

From this picture originated the story written and used for the famous production of "The Diamond from the Sky" which we have every Saturday. So the last three days of this week we are above the average.

Watch for our great announcement in next week's paper. Great news for our patrons.—Olympic. 1t

No Game Saturday

There will be no base ball game at the local grounds Saturday the Independents having decided to call off the game rather than bring a team here and lose out financially. So far this season, despite the fact that some of the leading ball teams of the Pittsburgh district were secured as attractions, the local management lost out financially. Representatives of the Monongahela and Monessen teams will meet this evening to arrange for a series of three games to decide the championship of the Monongahela valley.

Pension Money

Apportionment of $234,000 has been made for the 67 counties of the state by Auditor General A. W. Powell for mothers' pensions and drawing warrants will be started in a short time. The last Legislature appropriated $100,000 to which is added $144,746.34 left from the appropriation of 1913.

The sum of $10,746.34 has been reserved for the salary of the state supervisor of pensions, and the clerk, who have not yet been appointed by the Governor, and for their expenses, including adjustment of accounts of local boards.

The act of 1915 provided that apportionment should be made on a basis of population and Philadelphia and Allegheny will each receive $35,100. Luzerne, Lackawanna, Westmoreland and Schuylkill are in the next class and will receive $7,755, while counties having between 100,000 and 200,000 will get $4,680; from 50,000 to 100,000 population, $1,950; 25,000 to 50,000, $1,023.75, and those having less than 25,000 population. $585.

Miss Catherine Smith of California and John Rimel of Finleyville, were married Monday morning at the First M. E. church of Uniontown by the pastor, Rev Kingsley. The bride is well known here, having made her home with Mr. and Mrs. C. L. Kehlenbeck of First street for a number of years. The young couple have gone to housekeeping at Finleyville.

May Air Nashville Scandal

Nashville, Tenn., Aug. 5—At the hearing set for today, the ousted officials of this city, including Mayor Howse, City Commissioners Elliot and Andrews and City Treasurer Myers are expected to demand a full hearing on the charges brought against them. The city's affairs are now in the hands of a receiver. The city's credit or financial standing are not involved, the movemnet being directed only against officials for alleged misconduct.

The charges against Mayor Howse and the Commissioners were filed in Chancery court on June 30 by City Comptrolled Miles Miles Burns. Burns charged that Mayor Howse and the commissioners knew for a long time that municipal books were missing, but that nothing was done about it, until Burns filed his bill accusing Commissioner Andrew of taking city money.

Burns charged that Mayor Howse is a director in a corporation from which the city buys various articles, and that the Mayor is director in a bank in which the city has a large deposit.

He also charged that city property had been used for private profit and that specifications for purchase of property by the city have been so drawn up that only relatives of the city officials couuld bid on the contracts.

Certain members of the police department would intimidate witnesses or run them out of the city, Burns declared in his sweeping charges. It was also charged that the city officials knew where Assistant Treasurer West is hiding. The City commissioners had offered a $1,000 reward for West's arrest.

Chancellor Allison on July 5th refused to dismiss the charges and appointed a master to take proof on all the allegations. He enjoined the accused officials from carrying on any contract or improvement work, or the paying of any money. He withheld his decision on the appointment of a receiver until evidence had been secured.

On July 27th, Chancellor Allison appointed a receiver for the city and suspended the accused officials on proceedingst under the ouster law. The officials claimed that both the appointment of a receiver and the application of the ouster laws were unconstitutional.

HANGMAN'S DAY IN MISSISSIPPI TOMORROW

Jackson, Miss., Aug. 5—Tomorrow wil be a real "hangman's day" in Mississippi unless the governor commutes the death penalty to life imprisonment, for five men are condemned to be hung on that day, two or whom are white men. Four sheriffs will figure in the day's events, one of them having a double job on his hands.

The two white men condemned to the noose tomorrow are S. L. Johnson convicted in Claiborne county for killing A. E. Brewer in July, 1913 and J. Tabor of Lafayette county, an old citizen and Confederate veteran, who was convicted of the murder of his daughter-in-law in September, 1914.

The doomed colored men are Bunyan Walker, who killed Tom Seales in Jefferson county in September, 1914; Peter Bolen and H. Seales, convicted of killing Will Taylor in Oktibbeha county in October last.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

SOUSA LIKES TRAPSHOOTING

Music Master Finds Recreation in Clay Bird Sport.

By Garrett Bonfield.

And here we have John Philip Sousa, to whose ears the bang of a shot gun is about as sweet music as the boom of the bass drum in his famous band.

JOHN PHILIP SOUSA
The March King.

Just now the "March King" and his musicians are entertaining tens of thousands of folk at the Pacific Coast Exposition, but, on good authority we learn that while John Philip Sousa "Music master," is making western blood tingle with his stirring marches, John Philip Sousa, "gun bug," is thinking longingly of the Grand American Trapshooting Handicap to be staged at Chicago, Aug. 16-20, and is wishing he could get out on the firing line among shooters, with whom he is a universal favorite.

Sousa's 1914 record for targets shot at in registered tournaments was .8398, having broken 3078 clay pigeons out of 3665. But by no means do these figures cover all of the shooting activity of the great musician, for on every possible occasion he visits trap shooting clubs, and of course shoots in many events that are not registered by the Interstat Trapshooting Association. He is also a hand-trap enthusiast, and when at home gets hours of pleasure on his estate having friends throw targets from his "portable gun club."

BEGINNERS' DAY SHOOT

Clubs of State Will Initiate Many New Shooters.

Usually the novice is given scant attention in any department of sport, and, while not always expressed in words, "go get a reputation," is the proposition that confronts the embryo.

But, now, along with Lincoln, Washington, Independence, Labor, Columbus, Mother, Go-to-Church, Suffrage, Work-horse and sundry others, the "new beginner" is to have a day of his very own. In fact, he is to have a whole month of days—he can take his pick of any of the red hot days of August, if his taste runs to trapshooting, and at any one of hundreds of gun clubs, the beginner will relegate champs, professionals, amateurs, 97-per-centers, et. al. to the rear of the firing line and punch holes in the atmosphere to his beginner heart's content if the aforesaid heart can be contented with twenty-five shots—anyhow his shoulder will be satisfied unless he quickly learns how to hold a gun so that the shooter instead of gun is master.

We say "he," but let us explain that this is used just as "he" is used in referring to the American voter as a type when speaking of balloters in an equal suffrage state, for, be it known, equal rights will be strictly observed, and Miss or Madam Trapshooter may enter the lists along with Master or Mister Trapshooter wherever a "Beginners' Day" is staged. And if the average shooting ability of ladies who have broken into the trap game is kept up, many a mere man will wonder why he has always thought of the shotgun as a weapon to be used exclusively by the sterner sex.

A number of trapshooting clubs throughout the state are making elaborate preparations for the entertainment of aspiring gun bugs and their initiation into the mysteries and pleasures of "the sport alluring."

Trophies will be offered by every club holding a "Beginners' Day." These prizes consist of a handsome bronze watch fob for high gun in the men's class and a sterling silver spoon for the best woman shot.

A bronze cup, eight inches high, will be donated to each of one hundred clubs having the largest, next largest, etc., new shooters on the firing line.

So, Johnny, go get your gun, and Sister Susi stop "sewing shirts for soldiers" ? learn, first hand, how fascinating and healthful a sport is clay pigeon bustin'.

More than 1500 new trapshooting clubs have been organized so far this year, and the indications are that the 1915 record will total in excess of 2000.

Trapshooting clubs throughout the United States are reporting a healthy growth in membership.

ONLY ONE

The Record in Monessen is a Unique One

If the reader has a "bad back" or any kidney ills and is looking for an effective kidney medicine, better depend on the remedy endorsed by people you know. Doan's Kidney Pills have given great satisfaction in such cases. Monessen citizens testify to this. Here is a case of it:

H. R. Wilbur, 131 McKee avenue, Monessen, says: "I contracted a heavy cold which affected my kidneys. My back was sore and lame all the time and I had to have help to turn in bed. My whole body was like a board. I often had to have somebody dress me. Shooting pains darted through my body and I could not do my work. My body became bloated. The secretions were profuse in passage and contained sediment. I had dizzy spells and hot flashes, and I was miserable in every way. I doctored for years but didn't improve. The first box of Doan's Kidney Pills relieved me and two boxes practically cured me. Now and then I take Doan's Kidney Pills as a tonic, and give them credit for keeping me well."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wilbur had. Foster-Milburn Co., Buffalo, N. Y.
